PROFESSIONAL SUMMARY

Full-Stack Developer (Node.js, React) building scalable REST APIs and production-ready web applications. Experienced in authentication, e-commerce and booking systems, with a focus on performance optimization and clean, maintainable code.

SKILLS

Languages: JavaScript | TypeScript | HTML5 | CSS3

Frameworks: Node.js | Express.js | React.js | Nest.js | Mongoose | Redux Toolkit

Databases: MongoDB | SQL | MySQL | PostgreSQL

Tools: Git | GitHub | Postman | Socket.IO | Cloudinary

Concepts: MVC Architecture | REST APIs | Authentication | Authorization | Responsive Design

PROJECTS

Aleef – Smart Pet Care System (Node.js, Express, MongoDB, TypeScript) (Backend / Dashboard) 🔗

- Built a full appointment booking system with scheduling, medical records, and real-time updates.
- Built secure JWT authentication, role-based authorization, email verification.
- Created an e-commerce module with products, cart, and orders management.
- Implemented real-time chat and integrated an AI chatbot with OpenAI.
- Designed and developed an admin dashboard using React.js
- **Code:** <https://github.com/mahmoudtamer0/Aleef-server> 🔗 | **POSTMAN COLLECTION** 🔗
- **Dashboard (Read only / Moderator):** <https://aleef-dashboard.vercel.app> 🔗

Shop.co – Full-Stack E-Commerce Platform (Node.js, React, Express, MongoDB) 🔗

- Built scalable REST APIs and secure backend architecture for an e-commerce platform.
- Developed cart, checkout, and order management systems with optimized performance.
- Built responsive frontend with protected routes and smooth user experience.
- **Live:** <https://shop-co-webapp.vercel.app> 🔗
- **backend:** <https://github.com/mahmoudtamer0/e-commerce-Nodejs> 🔗 | **FRONTEND REPO** 🔗

Rukn El-Qur'an – React Web App (React, APIs) 🔗

- Developed a responsive multi-language Quran app with dark/light mode support. audio, tafsir, prayer times, and radio streaming.
- **Live:** <https://rukn-elquran.vercel.app> 🔗 | **Code** 🔗

EDUCATION

Bachelor of Business Information Systems (Computer Science Focus)

09/2022 – 05/2026

Canadian International College (CIC)

Bachelor Degree | GPA: 3.52
